Skal International USA Administrator,

Re: Nomination for Skal International USA Director Position

On behalf of the Board of Directors of Skal International Southwest Florida, we unanimously support the nomination of Jack Wert for a Director position on the Skal International USA Board of Directors. Jack has been a dedicated member of Skäl for over 30 years and has served as President of both the Skal Orlando and Skal SW Florida Clubs.

Jack has assumed the non-voting position as Executive Secretary/Treasurer for our Club and is helping us to build a succession plan for the future of our Club. This is the perfect time for him to move into a Board position with Skal International USA and be able to give back even more of his time to Skal USA.

This year, Jack was appointed by Skal International to serve on the Membership Development and Young Skal Committee, representing Region 1- USA. In that role he has assisted the committee in launching several initiatives to grow the Young Skal membership category.

He is also Co-Chairman of the Skal USA official Committee of Project Future which is developing Skal Student Chapters on College/University campuses all over the US. This program promises to greatly assist Skal International USA to grow and retain membership in the future by attracting students majoring in Hospitality and Tourism to join an on-campus Skal Chapter and affiliate with an nearby Skal Club.

We hope that you will strongly accept our nomination of Jack Wert for Skal International USA Director.

Kristina Park, President
Skal International Southwest Florida
