RE: Official Club Nomination and Recommendation of Katie Doherty for Director, Skål International USA – 2026 Executive Board

Dear Carlos,

On behalf of the Executive Committee and membership of Skål International Baltimore, I am pleased to formally nominate and enthusiastically recommend **Katie Doherty** as a candidate for the position of Director on the 2026 Executive Board of Skål International USA.

Katie has been an active and dedicated member of Skål International Baltimore since 2014 and has demonstrated an exceptional commitment to the organization through her continued leadership, service, and involvement at both the local and national levels.

During her tenure with our club, Katie has served in numerous leadership capacities, including Vice President, President, Immediate Past President, and Skål USA Representative. Her experience, institutional knowledge, and understanding of the needs and opportunities facing our organization make her exceptionally well-qualified to serve in a national leadership position.

In addition to her extensive Skål involvement, Katie brings nearly 40 years of hospitality industry leadership experience, along with a distinguished record of service to tourism and hospitality organizations. Her background in executive management, financial oversight, strategic planning, membership engagement, and industry advocacy would be a tremendous asset to the Skål International USA Executive Board.

The Skål International Baltimore Executive Committee and membership recognize Katie's dedication, professionalism, collaborative leadership style, and genuine passion for the principles of Skål. We are confident that she will represent our club and the broader Skål USA membership with integrity, enthusiasm, and a strong commitment to advancing our organization's mission.

The club hereby formally confirms its nomination and endorsement of Katie Doherty for the position of Director of Skål International USA. We further confirm that Katie Doherty has consented to this nomination and has agreed to serve if elected.

We are proud to put forward Katie Doherty as our candidate and offer her our full support and recommendation. We believe she will make a meaningful contribution to the continued growth, strength, and success of Skål International USA.

In Friendship and Skål,

Amanda Hof
President
Skål International Baltimore

On behalf of the Executive Committee
Skål International Baltimore
